PROFESSIONAL HISTORY

05/2025 – Current-

Chief Accounting and Finance Director |
Forvis Mazars – São Paulo, Brazil

Executive Leadership & Strategic Decision-Making

- Sets the overall direction for accounting and finance functions, aligning operational performance with the firm's strategic goals.
- Acts as the primary liaison with client CFOs, auditors (Big Four), and board-level stakeholders, providing insights that support executive decision-making, financial risk management, and corporate governance.
- Participates in strategic committees, providing C-suite level analysis of financial health, compliance exposures, and growth opportunities.

Governance, Risk & Compliance

- Ensures adherence to local and **international accounting standards (IFRS, US GAAP, BRGAAP)** and regulatory bodies such as CVM, Receita Federal, BACEN.
- Leads internal audit readiness and external audit processes for all client engagements, ensuring full compliance with global standards.
- Develops and enforces internal policies, controls, and quality assurance procedures to safeguard the integrity and accuracy of financial data.

- Transformation, Innovation & Operational Excellence
- Drives the digital transformation of the accounting and finance function, leading the "Integrated Accounting Intelligence with Microsoft + GPT" initiative, automating key processes and enabling AI-based financial analytics.
- Implements operational frameworks and project governance using ClickUp, Power BI, SAP, Power Automate, and other tools to optimize performance and transparency.
- Fosters a culture of continuous improvement, innovation, and excellence in service delivery.

Financial Planning, Tax Strategy & M&A Support

- Leads financial planning and analysis (FP&A) activities, including forecasting, budgeting, margin optimization, and cost control strategies across client operations.
- Provides high-level support in M&A transactions, including due diligence, valuation modeling (DCF, EBITDA, Multiples), and post-deal financial integration.
- Oversees advanced tax planning for multinational clients, ensuring regulatory compliance and maximizing tax efficiency through Transfer Pricing strategies and reform readiness (CBS/IBS in Brazil).

People & Organizational Development

- Leads large-scale teams with a people-first philosophy, focused on talent development, leadership training, succession planning, and performance management.
- Founded and leads the Forvis Internal Academy, delivering executive education programs in accounting, compliance, leadership, and soft skills.
- Promotes diversity, engagement, and well-being, resulting in high retention, stronger culture, and improved employee satisfaction.
